Siblings, Judy, Jonathan and Joyce Martin, (pictured in attached jpg), who grew up in rural Hamburg, AR, have enjoyed countless radio hits and performances on stages at such prestigious locations as The Grand Ole Opry and The White House, as well as concert halls, auditoriums and churches nationwide. During the 1990s, The Martins rose to national and international success, showcasing their stunning and distinctive harmonies before a vast array of audiences, from Bill Gaither's multi-award winning Homecoming Video and Concert Series to the White House to Carnegie Hall. Over the years the trio garnered eight Dove Awards from the Gospel Music Association, a Grammy nomination and multiple hit songs.

After nearly a decade of pursuing individual music careers, the trio reunited in 2010, much to the delight of long-time Martin music lovers, and released their first new recording in 10 years, *New Day*, produced by Jay DeMarcus (Rascal Flatts).

In 2014, The Martins joined renown arranger, Lari Goss and long-time friends and producers, Michael English, David Phelps and Matthew Holt to record a new a cappella hymns project. The recording, simply titled *A Cappella* was released in May of 2014, and features The Martins' unmatched and unmistakable family harmony. The recording earned the group a Grammy nomination for Best Roots Gospel Album, as well as the Dove Award nomination for Inspirational Album of the Year from the Gospel Music Association.

Most recently, The Martins returned to the recording studio with multi-award winning producer, arranger and musician, Gordon Mote. The recording will feature newly penned compositions, as well as several classics and is set to be released in early 2018.

The Martins will share their trademark harmonies in **CITY, STATE VENUE, on DATE**. Complete information may be obtained about this event by **calling PHONE FOR MORE INFO** or **visiting www.martinsonline.com**.
