The smooth, rich sounds of multi-Dove Award winning and multi-Grammy nominated trio, The Martins will be featured in **CITY, STATE, on DATE**, as the talented musical family comes to **the VENUE, located at VENUE ADDRESS for an exciting musical event at START TIME.**

Siblings, Judy, Jonathan and Joyce Martin, (pictured in attached jpg), who grew up in rural Hamburg, AR, have enjoyed countless radio hits and performances on stages at such prestigious locations as The Grand Ole Opry and The White House, as well as concert halls, auditoriums and churches nationwide. During the 1990s, The Martins rose to national and international success, showcasing their stunning and distinctive harmonies before a vast array of audiences, from Bill Gaither's multi-award winning Homecoming Video and Concert Series to the White House to Carnegie Hall. Over the years the trio garnered eight Dove Awards from the Gospel Music Association, two Grammy nominations and multiple hit songs.

After nearly a decade of pursuing individual music careers, the trio reunited in 2010, much to the delight of long-time Martin music lovers, and released their first new recording in 10 years, *New Day*, produced by Jay DeMarcus (Rascal Flatts).

In 2014, The Martins joined renown arranger, Lari Goss and long-time friends and producers, Michael English, David Phelps and Matthew Holt to record a new a cappella hymns project. The recording, simply titled *A Cappella* was released in May of 2014, and features The Martins' unmatched and unmistakable family harmony. The recording earned the group a Grammy nomination for Best Roots Gospel Album, as well as the Dove Award nomination for Inspirational Album of the Year from the Gospel Music Association.

Most recently, The Martins returned to the recording studio to produce their latest recording. *Still Standing*, releases in July under the Gaither Music Group label and promises to offer even more success for the popular trio. This all-new recording finds the multi-Grammy nominated vocal group standing stronger than ever, showcasing their benchmark family blends and intricate arrangements produced by renowned producer Gordon Mote. These compositions, including the remake of their classic hit "Wherever You Are," reflect the latest chapters in siblings Judy, Joyce and Jonathan's journeys as they share messages of God's goodness and providential hand at work in every season of our lives.

The Martins will share their trademark harmonies in **CITY, STATE, at the VENUE on DAY, DATE at TIME.** Complete information may be obtained about this event by calling **PHONE NUMBER** or **visiting EVENT WEBSITE** or [www.martinsonline.com](http://www.martinsonline.com).
