The smooth, rich sounds of multi-Dove Award winning and Grammy nominated trio, The Martins can be heard in **CITY on DAY, DATE**, as the talented musical family comes to the **LOCATION** in **CITY**. The Martins will be featured during the **TIME** concert event.

It's a *New Day* for legendary vocal group, The Martins. Their three-year labor of love is complete, and the end result is a brand new recording, appropriately titled *New Day*. Filled with all new song, featuring the trio's unmistakable harmonies, as well as a few special surprises, the new recording, produced by multi-platinum selling Rascal Flatts member Jay DeMarcus, released earlier this summer (June 21) and marks the first for siblings Judy, Jonathan and Joyce (pictured l-r in attached jpg) in a decade.

During the 1990s, The Martins rose to national and international success, showcasing their stunning and distinctive harmonies before a vast array of audiences, from Bill Gaither's multi-award winning Homecoming Video and Concert Series to the White House to Carnegie Hall. Over the years the trio garnered six Dove Awards from the Gospel Music Association, a Grammy nomination and multiple hit songs.

After a 10-year hiatus from touring together, the siblings return this year with renewed family bonds, as they take a fresh step forward both musically and spiritually. "We took some time off to recharge on all levels," states oldest sibling, Joyce. Energized and excited about the future, the three are thrilled to be back on stage together. "When we first came off the road, we really didn't have a plan to get back together, but when we were approached with the idea, once we got back on stage, it just felt right," Joyce shares.

In addition to the release of *New Day*, Gaither Music Group released a DVD, entitled *The Best Of The Martins*, which captures some of the trio's most unforgettable highlights from the multi-platinum selling Gaither Homecoming Video Series. The recording includes a detailed interview between the The Martins and Gospel Music legend and Martins' mentor, Bill Gaither. The television special with highlights from the DVD will air throughout the summer and into the fall on popular networks including GAC, RFD, CTN, GMC, INSP, FamilyNet, CTS and TBN.

The Martins will share their trademark harmonies in **CITY, STATE** at the **VENUE** on **DAY, DATE**. Complete information may be obtained about this event by calling **PHONE NUMBER FOR MORE EVENT INFORMATION** or visiting **WESBSITE** or **www.martinsonline.com**.
